**Shiver Me
Timbers:**

Pirate's Dinner Adventure sets sail on its fifth year of entertaining more than 250,000 guests from around the globe each year. Imagine an authentic 18th century Spanish galleon replica measuring 46 ft. long, 18 ft. wide with 40 ft. masts anchored in a 250,000-gallon indoor lagoon with night sky lighting. Surrounding the lagoon is a six-sided showroom of six additional "ships" where the audience is seated.

With seating up to 750 voyagers per show, more than 150 guests have the chance to play an actual role in each show. Even youngsters can be part of the action, donning costumes to row dinghies in a crucial pirate race around the lagoon or board the galleon for an official "swearing in" ceremony. For one shining moment, the fantasies of would-be pirates of all ages become uncannily real in the interactive arena of Pirate's Dinner Adventure.
